Price table and zones apply to the following schedules:

- Houses and holiday homes 2007
- Commercial and industrial buildings 2007
- Agricultural buildings 2007
- Churches and chapels 2000

Value-added tax

Prices are stated net of value-added tax.

For the following buildings, the full insured value should normally include value-added tax:

- All building types under Houses and holiday cottages
- All building types under small outbuildings, garages etc
- All building types where the policyholder is not registered for value-added tax under the Value-added Tax Act. This includes housing associations etc.
