Estimate for the storm “Amy”

The estimate for incurred compensation due to the storm “Amy” is NOK 1.8 billion.
The uncertainty interval for the estimate is NOK 1.5 billion – 2.1 billion.

Norwegian Natural Perils Pool is closely monitoring the development of the event and will provide updated information if the estimate changes.

The information is confidential until it is published on Norwegian Natural Perils Pool website:
<https://www.naturskade.no/en/>

Best regards,
Norwegian Natural Perils Pool

Ståle Solem Ingebrigtsen
Managing Director
